

## IWCF Proposal: Goals and Objectives

Please see below for instructions on how to complete the form. Please be as specific as possible when completing this form. While we need this information to evaluate your request, we do recognize that some details may change over the life of the grant. If you would like to see a sample of a completed form, please go to our [website](#).

### FORM DEFINITIONS

<b>Goal</b>	This statement should express your vision and the broader view of how you plan to impact the community, the area of interest, the state, etc.
<b>Objective</b>	This statement (and there can be more than one of these) outlines the measurable actions that you and your organization intend to accomplish with your request. This statement should be realistic and achievable within the time frame allotted for your request.

<b>Performance Measurement</b>	<b>Target</b>	<b>Target deadline</b>
How will you determine if you have met your objective above? For example: number of people served, number of services provided, invoice of vehicles purchased, major metrics achieved, etc.	Target number or % increase of persons, services, major items purchased, etc.	What dates will the target(s) be accomplished? The dates should be within the grant cycle.

**THIS IS NOT A COMPLETE GOALS AND OBJECTIVES FORM... It is intended to show examples for different scenarios.**
