

Committee Chair Spotlight

Submission Date

07-08-2019 20:43:24

Name

Susan May

Please select the name of your committee:

Operations

Describe the role of your committee at IWCF.

The Operations Committee meets monthly with Committee Chairs to help to ensure communication and coordinated planning of events and projects among our various committees. As chair of the committee, I am responsible for supervising our staff and their day to day activities, hiring and human resource functions.

Does your committee have any needs or roles to fill? Describe.

N/A

Why are you a member of IWCF?

When I moved to Boise almost 5 years ago, IWCF was the first organization I "joined". As a result of my involvement I have learned so much about our community - our needs and the generosity of our citizens. I have seen the power and impact of collective giving and educated philanthropy. I'm inspired by what our membership has accomplished in our community over the last 17+ years and can't think of a better way to "give back"..... I'm grateful I found IWCF!

What does true leadership mean to you?

Putting the needs of the organization and others above your own.

Do you grant IWCF permission to share your Member Spotlight to social media?

NO
